Insurance you can trust.

WE'VE GOT YOU COVERED

The Only Life Insurance Program That's Designed Only For Veterinarians

Since 1957, The American Veterinary Medical Association Group Health and Life Insurance Trust (AVMA GHLIT) has made available to Members like you coverage you can trust.

This group health and life insurance trust program is tailor-made for veterinarians, by veterinarians. Members in the program are more than just participants – they're in charge.

Nine Trustees, all AVMA Members, and one AVMA Liaison Trustee, supervise the program and its professional operating staff. They give the plan direction, to be sure the benefits are the ones you and your family most desire. The Trustees also act as a Review Board should a Member ever experience a problem with the insurance program. You can think of it as having a "Board of Directors" that puts your needs first.

The program is also designed to help save you money. You'll benefit from the group purchasing power of thousands of veterinarians across the country.

As a self-rated participating program, charges to Members are based on the claims experience of AVMA Members and their families – no outside groups. When funds exceed expenses, that money is returned to participants in the form of lower costs or improved coverage.

The program is underwritten by New York Life Insurance Company, one of the industry's most respected names.

New York Life Insurance Company (NY, NY 10010), the underwriter, has received the highest possible ratings for financial strength from some of the insurance industry's leading independent rating services including Moody's Investor Service (AAA), Standard & Poor's (AAA), Fitch Ratings (AAA), and A.M. Best (A++).*

An Affordable Way To Help Ensure Your Family's Well-Being

A Choice of Two Different Level Premium Terms – 10-Years or 20-Years

10-Year Level Term Life Insurance

10-Year Level Term Life Insurance was designed to help protect you from unnecessary financial burdens and insure your family's financial security for a ten year period. Premiums are set based on the insured's age on the effective date and although not guaranteed are expected to remain level for an **initial 10-Year period** with level amounts of insurance until termination at age 80.

At the end of the 10-Year period, coverage will automatically be renewed without evidence of insurability. Renewal premium rates are not guaranteed and will be based on the insureds then attained age and will increase as he/she ages. Or, if the insured is under age 70 he/she may apply for a subsequent 10-Year period of new level rates based on the insureds then attained age and subject to submission of satisfactory medical evidence.

20-Year Level Term Life Insurance

The 20-Year Level Term Life Insurance plan design is similar to the 10-Year product except premiums are based on the insured's age on the effective date of coverage and are expected to remain level for an **initial 20-Year period**. Like the 10-Year Term, these rates are not guaranteed but are anticipated to remain level for this 20-Year period with level amounts of insurance until termination at age 80.

At the end of the 20-Year period, coverage will automatically be renewed without evidence of insurability. Renewal premiums are not guaranteed and will be based on the insureds then attained age and will increase as he/she ages. Or, if under age 60, he/she may apply for a subsequent 20-Year period of new level rates based on the insureds then attained age and subject to submission of satisfactory medical evidence.

OPTIONAL LARGE SCALE AD&D COVERAGE

You Have the Option of Adding Large-Scale Accidental Death and Dismemberment Coverage

A serious accident can happen anywhere, at any time. Although you can't completely eliminate the risk, you can help protect yourself against the financial impact – which often can be substantial. This important protection is available to both you and your Spouse/Domestic Partner, provided you are an AVMA Member and you and your Spouse/Domestic Partner are under age 70 and residents of the United States.

Spouse/domestic partners who are also eligible members can only be covered as an eligible member or eligible spouse/domestic partner but not both.

Some Highlights of the Plan

You can help protect both yourself and your Spouse/Domestic Partner

For both yourself and your Spouse/Domestic Partner, you may select a Principal Sum – the maximum benefit to be paid.

- Member Coverage is available with a Principal Sum of up to \$200,000 in units of \$10,000.
- Spouse/Domestic Partner Coverage is available with a Principal Sum of up to \$100,000 in units of \$10,000. Your Spouse's/Domestic Partner's coverage may not exceed your own coverage.

You receive coverage for serious accidents

Benefits are payable for the following losses if they result directly from and within 180 days after accidental injuries sustained while insured.

LOSS OF	BENEFIT
LIFE	PRINCIPAL SUM
BOTH HANDS, BOTH FEET OR SIGHT OF BOTH EYES	PRINCIPAL SUM
ONE HAND AND ONE FOOT	PRINCIPAL SUM
ONE HAND OR FOOT AND SIGHT OF ONE EYE	PRINCIPAL SUM
ONE HAND OR FOOT OR SIGHT OF ONE EYE	1/2 OF PRINCIPAL SUM

Loss of a hand or foot means it is completely severed through, at or above the wrist or ankle joint. Loss of sight means total and irrecoverable loss.

AD&D Exclusions and Limitations

If the same accident causes more than one loss, only the one largest benefit shown for any of the losses suffered is payable.

Benefits are not paid for losses due to:

- suicide or self-inflicted injuries (whether intentional or while insane)*
- war
- military service
- pregnancy (or its termination)
- losses due wholly or partly to disease or mental infirmity or treatment or operation for such disease/infirmity
- losses due to aviation activities other than flying solely as a passenger on a regularly scheduled commercial flight on a franchise passenger route or on certain non-scheduled flights made solely for business reasons

***Missouri residents:** The exclusion for losses due to suicide or self-inflicted injury is not applicable to the injuries caused by an attempted suicide while insane.

LARGE SCALE ACCIDENTAL DEATH AND DISMEMBERMENT ANNUAL RATES[†]

\$10,000 to \$200,000 (\$10,000 Units) for Member and up to \$100,000 for Spouse/Domestic Partner but not exceeding Member coverage – \$7.20 for each \$10,000.

†Note: The insurance company has the right to change rates on a class-wide basis. An example of “class” can be a group of people with the same age or gender.

For NY Residents Only – Important Replacement Information

It may not be in your best interest to replace existing life insurance policies or annuity contracts in connection with the purchase of a new life insurance policy, whether issued by the same or different insurance company. A replacement will occur if, as part of your purchases of a new life insurance policy, existing coverage has been, or is likely to be, lapsed, surrendered, forfeited, assigned, terminated, changed or modified into paid-up or other form of benefits, loaned against or withdrawn from, reduced in value by use of cash values or other policy values, changed in the length of time or in the amount of insurance that would continue or continued with a stoppage or reduction in the amount of premium paid. Prior to completing a replacement transaction, you may want to contact the insurance company or agent who sold you the life insurance or annuity contract that will be replaced, to help you decide whether the replacement is in your best interest.
